## FAQS

### What stands us apart from the rest?

Now with air-conditioning!!

Full aluminium & steel; Genuine queensize mattress; Optional second fridge; Extensive choice of external & cabinetry colours; 150ah bluetooth BMS lithium battery; Air-conditioner option; Skygazer roof; Up to 450w of solar panels + solar blanket connection; 2nd battery option; Bicycle rack; Charge from car; Extra wide doors option; Electric brakes; Potti storage option; Significant head height; Stainless steel bench; Servery option between cabin/kitchen; 180 degree TV viewable inside and out; Elastic bitumen sprayed chassis; Jerrycan cradles option; Ladder; Stoneguard on watertank; Off-road upgrade; Battery charger; National warranty service locations... AND 100% money-back guarantee at every step of the purchase process!

+ Torsion suspension standard, upgrade to independent, side table, door table, online 3D Builder.

### Why don't Wotpods have a sink and stove in the benchtop?

We did initially, but decided that these took up far too much precious benchtop space. The sink plumbing also took away much under-bench space. So now, you fill up your washing tub from the side-tap and put it on the benchtop only when you are ready to wash. And the stove is on a slider under the benchtop.

### What is your warranty?

We offer 12-month nation-wide warranty on everything, not a back-to-workshop warranty like others.

### What is the order process?

Choose your options and submit for a quote. Pay your \$5k deposit whenever you're ready, another \$15k on photos 90% complete and balance on pick-up. Refunds possible at every step.
